PEACE AT ITS HIGHEST TENSION

Ingrid Haubrich's works make a great visual impact. The way she fills the space, brings together and swirls color, lets us see all that she has to say from the dramatic tension she creates in the image. The stormy chiaroscuro and the open forms that appear like tongues, seem to drag the viewer into a turbulent interior. How can our artist possess such a graceful, proportionate and harmonious figure and at the same time contain such impulsive rushes? Ingrid does not deceive, if she deceives herself. All this disappears as she paints.

This new series, entitled "Tides" ("Mareas"), alludes to the alternating and periodical movement of ascent and descent that, like the sea, also occurs in the consciousness of people. In his painting, there is agitation both what tries to come out, as well as what remains in the background.

"I would like the viewer of my works to find the same tranquility and harmony that I find the same tranquility and harmony that painting them gives me". For Ingrid, impetuosity is in life, not in art. Thus, she seeks that each painting to be the imprint of an energy to live.

"Painting gives me peace," she says. For this reason it is a finding that the work is exhibited in a center of spirituality. The blues associated with the celestial testify to this.

LA PAZ EN SU MÁXIMA TENSIÓN

Las obras de Ingrid Haubrich provocan una gran impacto visual. La manera en que colma el espacio, junta y arremolina el color, deja ver todo lo que tiene para decir a partir de la tensión dramática que crea en la imagen. Los claroscuros tormentosos y las formas abiertas que se asoman como lenguas, parecen arrastrar al contemplador a un interior turbulento. ¿Cómo puede nuestra artista poseer una figura grácil, proporcionada y armoniosa y contener al mismo tiempo semejantes aprontes impulsivos?. Ingrid no engaña, si se engaña. Todo esto desaparece mientras pinta.

Esta nueva serie titulada "Mareas", alude al movimiento alternativo y periódico, de ascenso y descenso que, al igual que el mar, se da también en la conciencia de las personas. En su pintura se agita tanto lo que intenta salir, como lo queda en el fondo.

"Me gustaría que el contemplador de mis obras encuentre la misma tranquilidad y armonía que a mi me da pintarlas". Para Ingrid, la impetuosidad está en la vida no en el arte. Así busca que cada cuadro sea la impronta de una energía por vivir.

"Pintar me da Paz", dice. Por esta razón es un hallazgo que la obra se exhiba en un centro de espiritualidad. Los azules asociados a lo celestial así lo testimonian.
